Collection of School Meals Money and School Meals Debt Policy

Introduction

This policy concerns the collection of school meals money and the approach to be taken in the case of debts arising when parents/carers fail to pay for school meals. This policy will be published on the school website and parents/carers advised of the policy when their children start at Manor Road and through periodic reminders on the newsletter.

General Principle

School meals must be paid for in advance using +Pay on ParentMail. Payment by cash or cheque cannot be accepted. If a child is to have meals for the duration of the week monies must be received before the start of that week or as we accept children having an occasional meal, monies must be received on the day of the meal.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on all children's education in school is used to pay for debts incurred by individual parents / carers. The governing body see this as unacceptable and request that all parents / carers give this policy their full support.

Free School Meals Entitlement

Children in the Foundation Stage and Key Stage 1 receive Universal Free School Meals.

Children in Key Stage 2 will not be provided with a school meal unless it is paid for, except those confirmed as entitled to Free School Meals. If parents/carers believe that their child(ren) may qualify for entitlement to Free School Meals they should contact the County Council. As this allowance is a statutory right for qualifying children it is important that parents/carers make use of it. The school is only allowed to provide free school meals to children where this is officially approved and school is informed by the Local Authority.

Procedure for Collection of Arrears

It is accepted that on occasion arrears may arise for various reasons, eg. a parent genuinely forgets to pay or is temporarily unable to pay promptly, or a child forgets their packed lunch and school is unable to contact the parent in time. However, arrears cannot be allowed to accumulate. The governing body has therefore agreed the following policy where arrears arise.

A weekly reminder is sent every Friday afternoon via ParentMail to any parent whose dinner money accounts are showing as a minus sum.

Should the reminder not prompt payment a gentle reminder letter will be sent home after one additional week of accumulated arrears (see Appendix 1).

A second letter will be sent to the parent/guardian if the arrears still haven't been cleared after three weeks. This will state that with immediate effect no further school meals will be provided for their child(ren) and the debt must be cleared within five working days (see Appendix 2).

A final letter will be issued after four weeks if the arrears have still not been cleared. This letter informs the parent/guardian that once the final five working day deadline has expired the debt will be passed onto the Debt Recovery Team at Lancashire County Council where legal proceedings may begin (see Appendix 3).
