VISION SCREENING IN LANCASHIRE

Vision screening will be taking place in school for Reception Class children on **Wednesday 6th March 2024**.

Vision screening is an integral part of the universal delivery of the national Healthy Child Programme.

An Opt-out consent form has been sent home with your child. If you do not receive one and wish to Opt-out, please contact the school.

BATTERIES

We have in the school a Valpak battery recycling box, which can be used by anyone wanting to dispose of any used household batteries safely.

The box is located next to the Office in the entrance to the school.

SAFETY AT MANOR ROAD

Please can we remind parents of the 20mph speed limit on the roads around school.

We have had several reports of speeding on Manor Road and Fiddlers Lane.

SCHOOL MEDICINES PROCEDURES

As a reminder to our Parents, below are just a few points taken from our 'Supporting Pupils at School with Medical Conditions Policy'. The full policy can be found on our Website under 'School' and 'Policies'.

A parental consent form must be completed before the administration of any medication. These forms are kept in the entrance to the school or can be completed on-line and emailed to lhaworth@manorroad.lancs.sch.uk.

- Medicines should always be provided in the original container and include instructions for administration.
- The school will not make changes to dosages on parental instruction.
- Once the medicine is no longer required in school or has expired, it is the parent's responsibility to collect the medicine and dispose of it safely.
- There is no legal duty that requires staff to administer medication. Unless a duty to administer medications is included in their job descriptions, the role would be considered voluntary.

All medication and consent forms should be handed to the school office staff by a parent/carer.
