

**ADDENDUM TO  
BEHAVIOUR POLICY  
(as a consequence of Covid-19)**

**September 2020**

## **Manor Road Primary School Addendum to Behaviour Policy (as a consequence of Covid-19)**

At Manor Road Primary School, we recognise that the current circumstances are exceptional. When our children return to school, our usual routines will be different to the norm and our classrooms may well look different.

We understand that some children have found the times at home without their usual routines and relationships difficult.

To help support our children we will adapt our pupil support systems.

We continue to make reasonable adjustments as necessary for children with SEND.

For all children:

- We will increase the time we spend in school talking about our feelings and worries, using circle time, mindfulness sessions etc.
- We will continue to make the classroom experience as nurturing as possible for our children.
- We will provide opportunities for structured games to build self-esteem and confidence (whilst maintaining social distance).
- We will celebrate the successes of our children during the time they have been learning at home. This might be school home learning activities or learning a new skill at home.
- All our staff will be alert to any changes in behaviour from our children and will speak to them individually to explore any possible concerns or worries. We will make contact with home if we observe any changes in behaviour.
- When dealing with our children, we use restorative practices at all times and will seek to calm and diffuse incidents of poor behaviour.
- In their interactions with children, our staff will be mindful of the anxieties they may be facing and how this might affect their behaviour in school. We will provide additional support if this is needed.
- We have placed links and resources to support positive mental health on our website. This may be helpful for parents. Let your child's class teacher or our Family Support Worker know if you feel that your child is finding things difficult.

For those children already in receipt of support prior to Covid-19:

As well as all the above support strategies, we will also:

- Review existing support plans to make sure they reflect the current needs. We will adapt strategies as much as possible to enable our health and safety requirements to be met at all times.
- Explicitly teach the new routines in class and use visual prompts when needed.

- Provide as much consistency of experience as is possible.
- Continue to use existing strategies when children will benefit from this.
- Direct TA support as needed to best assist our children. For some this may be that there is some 1:1 time with the TA from their group / bubble.
- Continue to work with other agencies to support children and families.

For those children who have worries, concerns or changed behaviour on their return to school:

We have signposted resources on our school website to use at home.

Our school Family Support Worker is available on the phone and via email if you wish to discuss any concerns. She is able to suggest some strategies that may be helpful at home and will be able to discuss your concerns with your child's class teacher. If demand for the Family Support Worker is high, a waiting list will be operated.

Once we are clear around a fuller re-opening of school, we will review our support offer again.
