Manor Road Primary School

School Improvement Plan 2026-27

At Manor Road Primary School, we are committed to ensuring every child thrives academically, socially and emotionally. This year, our improvement priorities focus on three key areas:

Curriculum and Teaching

We will strengthen reading and writing by developing pupils' spelling, vocabulary, grammar and handwriting skills through a consistent whole-school approach, helping children become confident readers, writers and communicators.

Inclusive Practice

We will continue to develop highly inclusive classrooms where every child can access learning, participate fully and achieve success, regardless of need, background or starting point.

Behaviour, Play and Inclusion

We will enhance pupil wellbeing, behaviour and relationships through our OPAL play programme, Respect Strategy and nurture provision, ensuring all children feel safe, valued and ready to learn.

Together, these priorities will help us create a school where every child is supported to achieve their full potential and develop a lifelong love of learning.
