## AVERAGE MONTHLY ATTENDANCE FOR TERM ONE

### Do You Know What Good Attendance Looks Like?

The attendance target at Manor Road this year is **96%**, but all pupils should strive to achieve **100% attendance** if they can.

If you take **2 weeks** holiday during term time your child's attendance can never be higher than **94.7%** even if they are in school every other day.

At Manor Road, doors open at 8.50am and the school day starts at 8.55am.

**Children are expected to be in their classrooms by 8.55am.**

Being **10 minutes late every day** throughout the academic year is the same as **missing two weeks of school**.

Government research shows a direct link between attendance and attainment and good attenders also make better progress socially, learn to work with others, and are better prepared for the transition to secondary school and, eventually, higher education, training and employment

**Parents and carers have a legal duty to ensure that their children attend school regularly.**
