## CHRISTMAS POST BOX

This year we will be bringing back our Christmas Postbox. The children can use this to post cards to their friends in school.

The box will be decorated by the PTFA and will be placed inside the main entrance.

Please ensure that the recipient's **name** and **class** are written on the envelopes.

### Online Games & Digital Interactions

## CHRISTMAS COLOUR STALLS

We are delighted to be able to run our Christmas Colour Stalls again this year. This has always proved a really popular event, made possible by your generous donations, and highly enjoyed by the children.

For those of you who are unsure how it works details are given below:

- The point of the Christmas Colour Stalls is to give children the opportunity to buy Christmas presents for family members at affordable prices.
- Each class is allocated a colour – see below.
- Parents are asked to donate gifts in their child's class colour (these can be any gift item eg. toiletries, games, ornaments, chocolates, jewellery etc. – basically any small, affordable gift you might like to receive yourself!)
- We will be holding a non-uniform day on **FRIDAY 5<sup>th</sup> DECEMBER** when children are asked to bring their gifts into school. Children can wear their Christmas Jumpers on this day, or any suitable non-uniform clothes.
- On **FRIDAY 12<sup>TH</sup> DECEMBER**, during the morning, children will be invited to choose a gift to buy from any of the Colour Stalls. If sufficient gifts are received children will have the opportunity to purchase further gifts. Again children can wear their Christmas Jumpers on this day, or any suitable non-uniform clothes.
- Staff and volunteers wrap the gifts for the children ready to be opened as surprises on Christmas Day!

The colours for each class are:

Pre-School	Rainbow Colours
Ash and Elm	Red
Oak	Green
Yew	Black or White
Year 3	Gold or Orange
Year 4	Blue
Year 5	Pink or Purple
Year 6	Silver

In addition to gifts for the children to buy, we are always grateful for donations of wrapping paper and gift tags!
