SAFETY AROUND MANOR ROAD

This week we have had a local resident unable to access their driveway due to inconsiderate parking. Please help keep our school area safe and accessible for everyone. Please try to avoid double parking, parking on bends, and please do not park in front of residents' driveways or block access. We also ask all drivers to keep to the speed limit and drive slowly and carefully around the school, particularly at drop-off and pick-up times. Thank you for helping to keep our children, families and local residents safe.
