ON-LINE SAFETY

This year, Mrs Lawrenson and the online safety ambassadors will be creating weekly top tips for parents / carers for helping children remain safe online. These tips help children and parents navigate the ever-evolving digital landscape safely and responsibly in 2025!

These will cover a range of 2025 current topics such as:

- Cyberbullying & Mental Health
- Online Games & Digital Interactions
- Managing Screen Time & Device Usage
- Digital Footprint & Social Media
- Privacy & Personal Information

We will also be holding an assembly to celebrate Online Safety Week in February and carrying out meetings to discuss current topics, possible issues and the teaching of online safety in school.

The online safety ambassadors are always here to help if anyone has any issues or worries.
